Vision:

To provide mathematical knowledge in business, finance and industry, in order to help develop the discipline and also the nation.

❖ Mission:

To provide an environment where students can learn and become competent users of mathematics and mathematical application.

❖ About Department:

Anandibai Raorane Arts, Commerce and Science College, Vaibhavwadi has rendered services to the community, by the way of providing educational facilities, particularly to the rural students.

In our college, the department of mathematics has been established in **academic year 2015-16** and students who had dreams and desire to enrich their competence in the field of mathematical sciences. We know the fact that the prosperity and progress of faculty depends on the fundamental facilities. Our faculty member always tried their level best for all round development of the department. Due to sincere efforts of Principal Dr. C.S. Kakade, today we have fundamental facilities.

It is a matter of pride to mention that our one staff member is doing Ph.D. Our staff members acquired not only good academic qualification,

but they are also ahead in extra-curricular and social activities like participation in seminars and workshop, participation in Blood Donation camp etc.

Innovative curricular and extra-curricular activities such as Seminars, Guest Lectures, National workshops were conducted successfully. All these programmes have added a great value to our teaching and learning programme.

In our department, various activities like quiz competition, poster presentation competition, power point presentation etc. are organized.

Students of Mathematics actively participated in university level as well as district level Avishkar research competition, Poster presentation competition, organized by university of Mumbai as well as by different institutions department of Mathematics. This activity enhances scientific attitude and popularize science in the society.

❖ Is there any method of assessing the Student's academic performance in order to enrichment and/ or Remedial Course?

- 1) Bridge Course for F.Y.B.Sc. Students for academic year 2016-19
- 2) Certificate Course in “Business Calculus” for academic year 2018-19
- 3) E-Test Program (Online MCQ Test for FYBSc and SYBSc Students) for academic year 2018-19

❖ Facilities:-

1) Library:-

Sr.No.	Particulars	Quantity
1	Reference books in central library	183
2	Textbooks in central library	86
3	No. of books in central library	269
4	Some personal copies are kept in the department as references	15

2) Computer:-

- 1) Computer contains all academic data
- 2) wxMaxima, LaTeX, Turbo C++, Python softwares

3) Teaching Aids:-

- 1) Video Lectures
- 2) Educational Model as Identify derivative by given function
- 3) Projector

❖ **Achievements:-**

- 1) Department student Miss. Vrushali Parab and Miss. Prachi Khandekar actively participated and presented one research project in district level Avishkar research competition organized by Dept. of student Welfare, University of Mumbai at Vaibhavwadi College on 28th Nov. 2018.
- 2) SYBSc (PM group) student Miss. Manyata Sawant actively participated in Intercollegiate Kabaddi Tournament during the academic year 2019-20 and secured 3rd Prize.

❖ **Avishkar Research Activity:-**

- 1) Department student Miss. Ashlesha Yadav & Miss. Snehal Patil actively participated and presented one research project in district level Avishkar research competition organized by Dept. of student Welfare, University of Mumbai at S.H. Kelkar college, Devgad on 13th Dec. 2016.
- 3) Department student Miss. Vrushali Parab and Miss. Shruti Angavalkar actively participated and presented one research project in district level Avishkar research competition organized by Dept. of student Welfare, University of Mumbai at S. R. M. College, Kudal on 9th Dec. 2017.
- 4) Department student Miss. Vrushali Parab and Mr. Gaurav Lad actively participated and presented one research project in district level Avishkar research competition organized by Dept. of student Welfare, University of Mumbai at Vaibhavwadi College on 28th Nov. 2018.
- 5) Department student Miss. Akshata Haryan and Miss. Vidya Bavdane actively participated, presented one research project in

district level Avishkar research competition 2019-20 organized by Dept. of student Welfare, University of Mumbai at P. B.V. Mahavidyalaya, Pandurtitha on 14th Dec. 2019 and selected for University level.

- 6) Department student Mr. Aniket Ghadi actively participated and presented one research project in district level Avishkar research competition 2019-20 organized by Dept. of student Welfare, University of Mumbai at P. B.V. Mahavidyalaya, Pandurtitha on 14th Dec. 2019.

❖ Extension activities

College Teaching: Faculty of the department conducts lectures on 12th STD students in various colleges:

- Delivered guest lecture on “Limits and Derivative” organized by Padmashri Dr. G. G. Jadhav Mahavidyalaya, Gaganbawada, Tal.Gaganbawada, Dist. Kolhapur 416 205 on 14th October 2018.

- Delivered guest lecture on “Derivative and Integration” organized by Achirne Junior college of Science, Achirne Tal. Vaibhavwadi, Dist. Sindhudurg on January 16, 2019.
- Delivered guest lecture on “Differential Equations” organized by Harche Junior college of Science, Harche Tal. Vaibhavwadi, Dist. Sindhudurg on January 16, 2019.

❖ STUDY TOUR:-

Educational Trip of TYBSc Students and Industrial visit at University of Kolhapur on 18th January, 2016.

❖ Departmental Activity:

- Our department always promotes to the students for PG admission guidance and tries to help them to career guidance.
- Our department organizes various departmental activities through Science Association.
- Department also organizes Study tour, Celebration of National Mathematics day, Expert lectures, Bridge course, Seminars, Certificate courses, E-Test Program to motivate the students and to develop their skill.

Academic Year 2015-16

1) Mathematics Day Celebration

Title: "Ramanujan Day Celebration"

Date: 22nd December, 2016

On this occasion Dr. C. S. Kakade (Principal), Mr. S.B.Kadam (Hod.Dept. of Mathematics), Mr.D.M.Sirsat, Mr.Kashetti were present.

Academic Year 2016-17

1) National Level One Day Workshop on "Group Theory and its Applications"

National Workshop on
'Group Theory & its Applications'

Theme Of The Workshop

In mathematics, group theory studies the algebraic structures known as groups. The concept of a group is central in abstract algebra. Various physical systems, such as crystals and the hydrogen atom, may be modeled by symmetry groups. Thus group theory and the closely related representation theory have many important applications in Physics, Chemistry and Materials Science. Group theory is also central to public key cryptography.

Who Can Participate?

Faculty members, Research scholars & U/GPG students of Mathematics & Chemistry. Registration fees for students is 100/- & for faculty members is 250/-
Certificate will be provided on successful completion of this workshop.
